<b>20 February</b>	<b>Gardening Support</b>	<b>10.00 - 12.00</b>
<b>6 March</b>	<b>Compost Session</b>	<b>10.00 —12.00</b>
<b>6 March</b>	<b>Grow Local</b>	<b>13.00—15.00</b>
<b>20 March</b>	<b>Grow Local</b>	<b>15.00—17.00</b>

Come along and get involved in some growing sessions and the plans for what we will grow this year. We will be looking at ways we can support residents to compost and what kind of system will work on site. Learn about crop rotation and how to look after the soil, or just pop down to pick up a pot and soil to grow your own and some advice on door stop growing.
